

Pembroke U.S. Growth Pooled Fund

Formerly The Pembroke U.S. Growth Fund

Investment Objective & Strategies

The Pembroke U.S. Growth Pooled Fund seeks to provide shareholders with long-term growth through capital appreciation by investing primarily in smaller US companies judged to have above-average growth potential or to be undervalued. The investment analysis of this fund follows a bottom-up approach, which emphasizes careful company-specific analysis.

Performance is reported in Canadian Dollars except where noted, net of transaction costs and net of all other fees, excluding management fees. Management fees are charged directly to unitholders based on their assets under management. Periods greater than one year have been annualized. The performance for the portfolio and benchmark index are measured using the "time weighted" rate of return methodology. Source: Pembroke Management Ltd., March 31, 2025.
